Returning Officer Braden Sums up the Votes

Officer Majority 181. A Very Large Vote Poll.

On Wednesday afternoon at the court house, returning Officer T. H. Braden opened the ballot boxes and summed up the votes for the referendum on the question of the reorganization of the school system in Alberta for member of parliament.

He found the return from two polls not being in accordance with the law and the result of the two votes given. The result will not be given until next week but the figures as far as obtained were as follows:

Votes for refer. 2,821

Votes for Bennett. 4,209

Total votes cast. 7,030

Majority for refer. 1,388

The total vote on the list is estimated at over 12,000 which is probably the largest of any constituency in Canada.

ters, are in the city from the west, bound
for Edmonton yesterday.

The trust has doubled the price of
gold in the United States. Before long
the latter will have doubled the
price of wages in order to hold their
own.

A considerable number of interest
is being taken in the coming elec-
tions. The contestants are take-
ing the war from the streets and the
politics on the following Monday.

Two more Albertans who have
recently returned from the west, are
Montreal, of Calgary, and T. D. Mc-
Bennell, of Alberta. They are registered
at the Royal.

The new Methodist church at
Moose Jaw, which was opened last
fall, has been closed for the winter
congregation services, \$500 being
given in the offering during the day
from the members.

A political meeting was held at
Golden on Saturday night. Addresses
were made by Mr. H. C. Stevenson,
of the Liberal party, Mr. J. H. McKee-
n, of the Royalist, and Mr. W. G. Gallier,
(Liberal).

Owing to previous engagements
in the city, Mr. H. C. Stevenson, of the
Royalist, Master of the L. O. L. of
British America, and member of the
Treasurers' Association, was unable to
accept the banquet tendered him by
the Orange Lodge of Calgary.

The Orange Lodge's annual
banquet will take place tomorrow in

seriously shot near Edmonton on Sun-
day and died almost immediately. A
Dr. G. H. Oberhauer, of Glendale, took
him last Wednesday to locate some
property up the river and it was on
the way back that the accident hap-
pened. Oberhauer was driving the
motor and Gray, seeing some sticks
in the trees, stopped the car. Oberhauer
jumped out to have a shot at them
when he fired the gun from the
back of the motor and the bullet
was discharged, and the shot struck
Gray in the heart. Oberhauer
was deemed unnecessary and the
responsible gun man will be
interred at Stony Plain.
